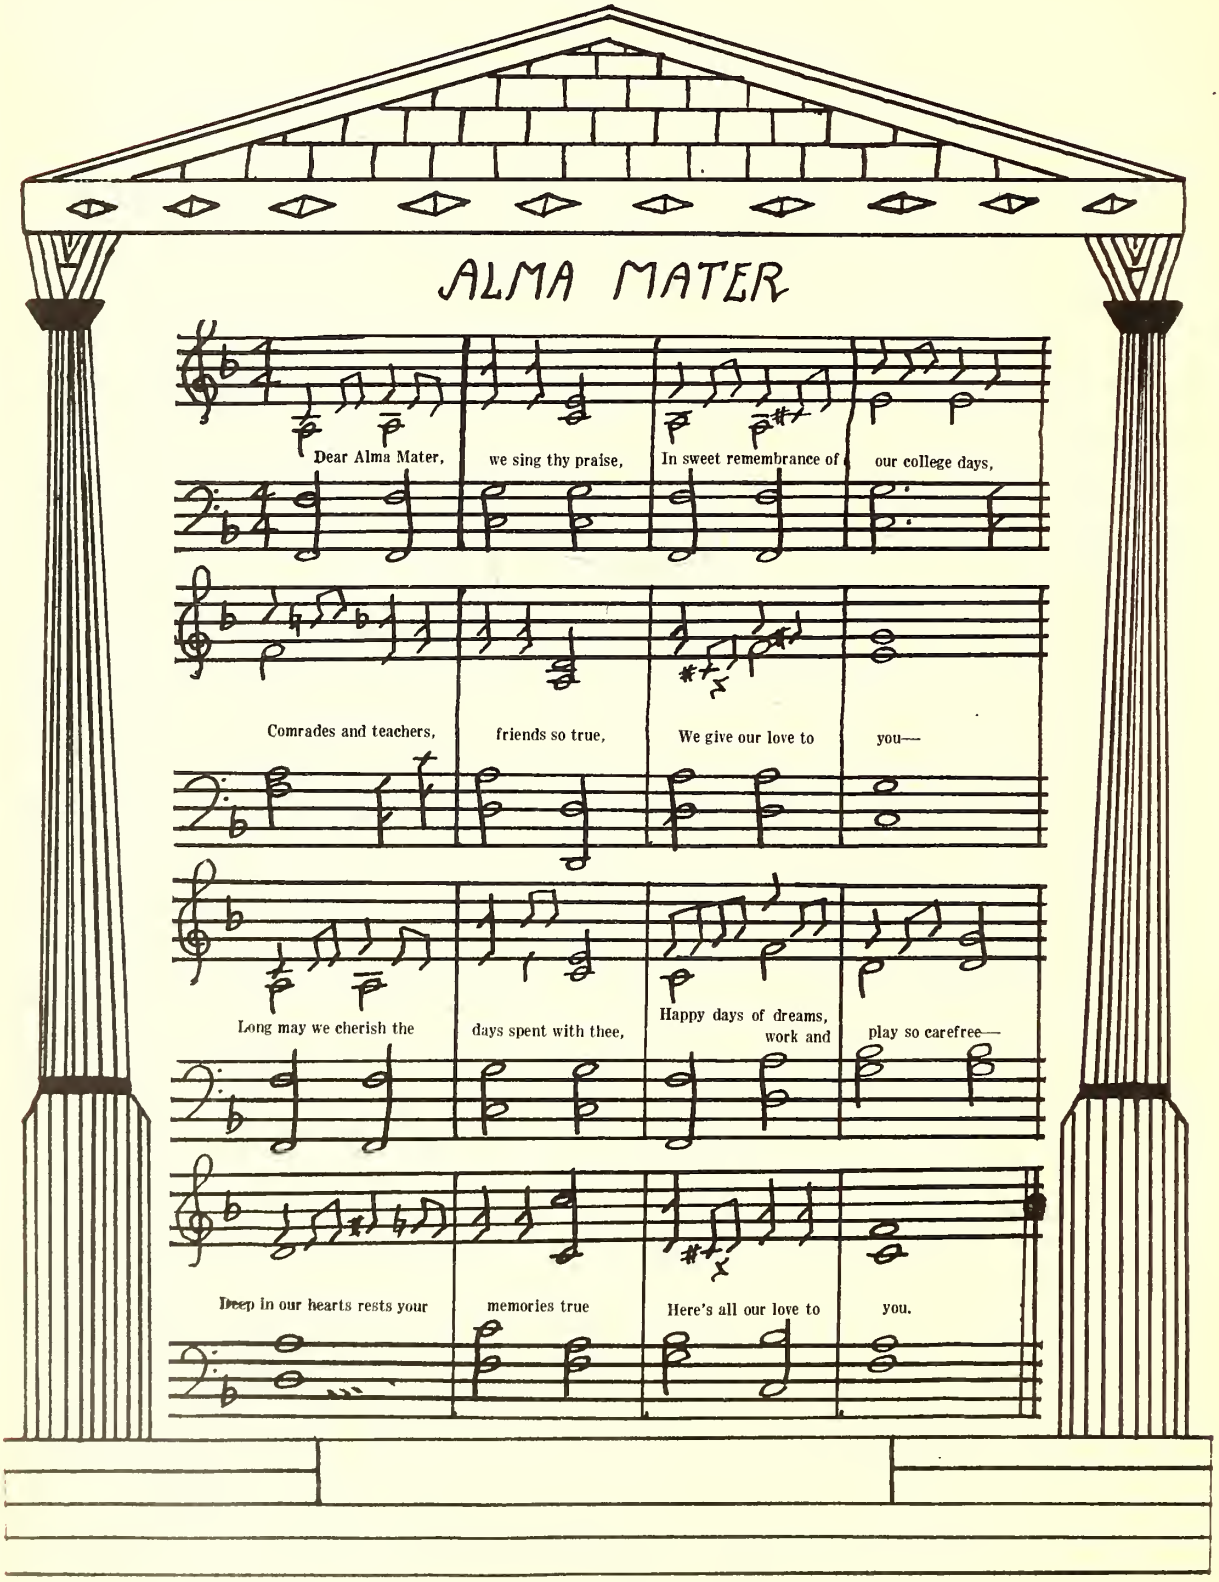
# DEDICATION

Just as the beauty, culture, and knowledge of ancient Greece have withstood the ravages of the centuries, so will the love, truth, and courage of ONE dominate the lives of all of us whom she has touched. The indelible impression that has been imprinted upon our personalities shall grow stronger with each step that we take toward that goal which is fixed unwaveringly in our dreams. Because of this spirit that envelopes and guides us to that goal we dedicate this, the second volume of the Wo-He-Lo, to this ONE—Mrs. W. W. Newsome.

# ALMA MATER



Dear Alma Mater, we sing thy praise, In sweet remembrance of our college days,
Comrades and teachers, friends so true, We give our love to you—
Long may we cherish the days spent with thee, Happy days of dreams, work and play so carefree—
Deep in our hearts rests your memories true Here's all our love to you.

Capt. Pat Wilson
Head Coach

When looking over the scores in determining the number of games actually won and lost, one will get a first impression of a bad season; but when he looks more closely, he will find that in all games lost, one or two touchdowns determined the difference. This at least signifies the effort put forth and the fine work done by the team as a whole. With a break here and there for us instead of our opponents, we could easily have won several additional games. In actual points, we had a rather bad season but in fight, team spirit, and cooperation, we cannot be outclassed.

# BOYS BASKETBALL SQUAD

Coach Sullivan, Latimer, Pearson, McDaniels, Ellis, Wall, Moore, Trainer Hunter, Jones, Wheeler, Pennington, Whittington, Sessums, Morrow.

After getting off to a poor start, the boys basketball team finished strongly. The team was composed entirely of new men whom Coach Sullivan developed into a smooth working machine that improved with each game. The school owes much to the coach and to the team.
